

USA Map

Hi!

Thank you for purchasing my asset.

This is a vector map of USA. The map contains 50 states. Each state represents a separate object or several objects. You can change the colors of the states, the colors of the borders. You can also create new materials and color each state yourself.

If you have any question you can ask me anytime.

If you liked this asset, please leave a review. It will be very helpful for me. Thank you!
